

# Friday News Roundup

As we head into Shabbat, we look forward to shutting off our computers, ipads, and zoom videos to enjoying some family time. You may have seen the news that some camps are choosing to close for summer 2020. Please understand that every camp or national organization will need to make their own decisions based on their own geography, state regulations, financial stability and community needs. We support our colleagues in Jewish camping through this unprecedented and painful time. We continue to work on ways to open up camp and will only do so if we feel we can do so safely. We will be guided by our values and what is best for our Capital Camps community.

As Shabbat ends, we look forward to gathering as a community for Havdalah.

## Virtual Havdalah

Tomorrow, Saturday, May 2<sup>nd</sup> at 8:30pm, we will join together for a Virtual Havdalah. We will start with some quiet singing as we do at camp while we are all gathering as a full camp before Havdalah begins at 8:46pm. A coloring page, Havdalah prayers and scavenger hunt instructions are [attached here](#). Bring your scavenger hunt items to Havdalah and hold them up as we call them out!

There will also be time for questions about our ongoing scenario planning.

On May 5th, non-profits around the world are focusing efforts to combat the effects of COVID-19. We're [raising funds](#) to ensure the pandemic won't negatively affect Capital Camps & Retreat Center's future.

Right now, we are also fortunate to participate in the *All Together Now* matching grant through JCamp180®, a program of the Harold Grinspoon Foundation. Through the matching grant, Capital Camps will receive \$1 for every \$2 we raise!

Example:  
\$500 from you + \$250 matched by HGF and Jcamp 180 = \$750 for Camp!

We hope you'll **join us** to ensure that Capital Camps continues to provide limitless memories, limitless friendships, and limitless impact.
