

PEULOT @ HOME – SUMMER 2020

<p>Category:</p>	<p>Sports/Social Distance Games</p>			
<p>Title:</p>	<p>Basketball golf!</p>	<p>Recommended Ages:</p>	<p>Any</p>	
<p>Materials:</p>	<p>One ball per player basketball net/mini basketball net Creativity (You can use anything as part of the course!)</p>			
<p>Activity:</p>	<p>All players start at the same location, far from the basket. Similar to golf, the goal is for the player to get the ball in the net in the fewest shots possible. *Get creative with the “holes”! Why not have them start inside the house, (with a pillow instead of a ball), and let them switch to a ball once they get outside! *There are many different variations of the game you can play, the limit is your own creativity</p>
