Kosher Alert & Passover Advisory - Season Sardines

August 30, 2020: From the COR Detroit:

Season Brisling Sardines and Sprats – Products of Latvia: These products were previously OU-P certified. Due to Covid-19 related challenges, these products were produced as **non-Kosher** and the OU has been removed. There may be OU and non-OU product available in the market simultaneously. Carefully check each package for the OU symbol.

August 7, 2020: From the [OU](#):

Season Sardines - Product of Morocco, Season Brand Products:

This product was previously OUP certified (Kosher for Passover) year round. Due to logistical considerations related to COVID-19 work and travel restrictions, this product will be certified OU for year round use. Prior to Passover, an additional quantity of OUP product may be produced. There may be OU and OUP product available in the market simultaneously. When purchasing, consumers should always check for the kosher symbol on the products, and not rely on familiarity of the product.
