

# Hebrew College's response to coronavirus

## COVID Policy Update: August 20, 2021

Hebrew College is closely monitoring the recent uptick in COVID-19 cases. In consultation with our medical advisors, as well as other Jewish institutions, and local colleges and universities, we recently modified our guidelines due to the impact of the Delta variant. **As of August 20, 2021, all students, staff, faculty, renters, and visitors are required to wear masks when in the building regardless of vaccination status. All students must submit proof of vaccination before the start of the semester. As of August 31, faculty and staff also must also show proof of vaccination.**

Read the full August 20, 2021 COVID-19 update from President Anisfeld below.

## Learning Together from a Distance

As colleges and universities across the country braced for the impact of remote learning, we found our faculty and staff, ready, willing, and able to make the shift. **Here's what we did...**

## Watch “A Time to Mourn: Grieving Together In the Time of COVID”

On July 9, we paused to mourn those lost during the COVID pandemic thus far. We chose the 17 of Tammuz, Shivah Asar B'Tammuz for the event because this date is already a day of mourning in our tradition. The event video is available on demand ([https://youtu.be/Zns\\_UKfQgIY](https://youtu.be/Zns_UKfQgIY)).
