

LIMITLESS connection

Greetings!

With the arrival of May, we continue to hope and plan for camp, but also acknowledge that we may not be able to open this summer. We continue to watch decisions, guidance and recommendations from state and local governments, as well as American Camp Association (ACA), Jewish Community Center Association (JCCA), Foundation for Jewish Camps (FJC) and Centers for Disease Control and Prevention (CDC). We are thankful for the strong support of our camp families, summer staff and our local community leaders. We are a community and together we will weather this storm. Ultimately, we will make a decision that is best for our community, guided by our values with safety as our top priority. We will provide further updates – with the goal of a more definitive decision about the start of camp.

Tonight! Parent Program
