

This night **was** different from all other nights.

Thank you for joining us! We're designing our next project right now, so watch this space.

Jews have been adapting to changing circumstances for over 5000 years, so we adapted.

This night indeed *was* different from all other nights. In the midst of COVID 19 and physical distancing, we needed new ways to come together to share a seder. Seder2020 helped make hundreds of virtual seder a success. Now we're figuring out how to continue helping people connect over technology with Jewish ritual. We'll be back soon.
