

LIMITLESS

connection

Greetings!

We hope this email finds you relaxed and well after the weekend. If anyone in your family or group of friends is ill during this time, or facing hardship, we wish them *refuah shlema* (full and speedy recovery). We wanted to give you a boost of Monday motivation by letting you know all that we are doing virtually this week. Please let us know if you have any questions!

#WaynesboroWednesday

Every Wednesday at 7:30pm EST, our community gathers online for a dance party, activity or game, followed by our nightly camp ritual of *Siyyum* (closing) by singing Hashkiveinu. This Wednesday, Program Coordinator Alyssa Katon and Staff Engagement Coordinator Lauren Greenberg will be hosting a Q&A with our 2020 Leadership Team! They will be taking questions (silly and serious!) on our Instagram story and live on Wednesday.

Virtual Havdalah

This Saturday, May 2nd at 8:30pm, we will join together for a virtual Havdalah. We will start with some quiet singing as we do at camp while we are all gathering as a full camp before Havdalah begins at 8:46pm. A coloring page, Havdalah prayers and scavenger hunt instructions are [attached here](#). Bring your scavenger hunt items to Havdalah and hold them up as we call them out!

Forms, Forms, Forms!

Please make sure to continue filling out your camp forms! We especially need bunking requests and the "all about me" forms completed by campers.

Save the Date: Parent Program

Parents are invited to join our Camp Director, Lisa and our *Yoetzot* (camper care specialist/social workers) on Monday, May 4th at 8:30pm for a parent-only session to learn more how you can support your child/children at home during quarantine. There will also be time for questions about our ongoing scenario planning.

Shabbat-o-grams

Shabbat is a very special time at Capital Camps. During the summer, we give each other Shabbat-o-Gram messages to show gratitude for the people that create Limitless positive experiences at camp.

Want your camper to receive a special Shabbat-o-Gram from a Capital Camps Counselor?
