Friends,

We're excited to share with you some breaking news about a special event tonight at 9PM ET, which will include a special announcement about an even bigger special event slated for Saturday night that BBYO is a Presenting Partner for! We can't release all the details just yet (really, Hollywood is still finalizing the cast), but you can tune in this evening, and help us share the energy with all our teens, advisors and community members for the preview!

BBYO On Demand

9PM ET / 6PM PT (15 min – 25 min long)

Pre-Passover Hangout and Special Announcement with:

Adam Kantor, Award Winning Actor – Rent, Fiddler on the Roof, and The Band's Visit

Benj Pasek, Award Winning Lyricist – Dear Evan Hansen, La La Land and The Greatest Showman

We've attached social shares to this email so as you see @BBYOInsider light up today, you can promote/share widely. As soon as we're given the green light for Saturday's details, we'll be back in touch!

Chag Sameach to all! Stay healthy!
