

## Giddy's Pizzeria

April 24 at 11:30 AM ·

With all of the local schools closed as well as the Shuls and with so many people stuck at home, Giddy's is trying to help ease the lunch burden on the community.

We are privileged to deliver lunches to many of your children's schools and starting this Monday, April 27, we will be offering to deliver discounted lunches to your children at home.

The following Kid's meals will be available for \$5 each, no minimum number of lunches required. There will be a \$2 Delivery Fee/Tip added to every order, regardless of the size of the order. You may choose to leave a larger tip if you feel it appropriate.

This offer is also available for the seniors in our community.

All orders must be placed (and paid for) the previous evening by 6:30 PM (Monday night at 6:30 PM for a Tuesday morning delivery, etc.). One driver will leave between 11:00 and 11:30 to take all of the deliveries to Edison/Highland Park and a second driver will leave at the same time with all of the East Brunswick deliveries. Delivery will be contact free. Orders will be brought to the door and will be left on the doorstep/porch. The driver will ring the bell or call you to let you know that your food has been delivered.

When you call with your order, please indicate that you would like to participate in the kids school lunch delivery program. You can place multiple day orders at the same time.

We thank you for the opportunity to help each other in these difficult times. May Hashem bless each and every one of you with continued good health and with a quick and painless end to these trying times.
